

Section – A

1. Tick the best answer from the given alternatives. (10×1=10)

a. What is observation?

- | | |
|---------------------|-----------------------|
| i) To see deeply | i) To write properly |
| iii) To read deeply | iv) To speak properly |

b. Which energy does a ringing bell have?

- | | |
|----------------------|---------------------|
| i) Sound energy | ii) Chemical energy |
| iii) Electric energy | iv) Motion Energy |

c. Which gas is taken by plants for respiration?

- | | |
|---------------------|--------------|
| i) Oxygen | iv) Nitrogen |
| iii) Carbon dioxide | v) Hydrogen |

d. Which of the following is a natural source of light?

- | | |
|-------------|---------------|
| i) The Sun | i) Tube light |
| iii) Candle | iv) Bulb |

e. Which of the following is a renewable source of energy?

- | | |
|-----------------|-----------|
| i) Solar energy | iv) Coal |
| iii) Kerosene | v) Petrol |

f. Which energy is required for the process of photosynthesis?

- | | |
|------------------|--------------------|
| i) Sound energy | iv) Light energy |
| iii) Heat energy | v) Magnetic energy |

g. In which part of the human body is food absorbed?

- | | |
|--------------------|---------------------|
| i) Small intestine | ii) Large intestine |
| iii) Liver | iv) Anus |

h. Which of the following is a property of gases?

- | | |
|------------------------|------------------------|
| i) It has fixed volume | ii) It has fixed shape |
| iii) It has fixed mass | iv) None of the above |

i. Which part of the human body collects urine?

- | | |
|--------------------|---------------------|
| i) Small intestine | ii) Large intestine |
| iii) Kidney | iv) Urinary bladder |

j. What is the breathing organ of a plant?

- | | |
|-------------|------------|
| i) Stomata | ii) Lamina |
| iii) Flower | iv) Root |

Section – B

2. Very Short Answer Questions.

(8×1=8)

- Write any one use of a measuring cylinder.
