Birgunj  
16th July

Bicky,

How are you? Wow! When I sit down and write to you like this, I remember so many great things that we did when I was in Kathmandu. Now I'm studying in Gyan Jyoti School in Birgunj. My term exams are about to come. Say hello to everybody in Kathmandu, for they are still good friends.

Bicky, when I left Kathmandu, I forgot to take some books from Bipin. I need those books.

Will you please talk to Bipin for me? I don't have his address. My uncle is coming to Kathmandu next week. He will contact you when he arrives there. You can give all those books to my uncle. Altogether there are six biology and physics books.

Maybe you could tell Bipin to write to me. Write to me soon, or e-mail if that's better for you.

Yours, Monika
